

Investment Objective: To provide long term income generation by investing in a portfolio of high quality fixed income securities.

Investment Strategy: The fund is managed by Barings LLC. Barings LLC seeks to achieve a high total rate of return primarily from current income while minimizing fluctuations in capital values by investing primarily in a diversified portfolio of short-term investment grade fixed income securities. The fund invests at least 80% of its net assets in investment grade fixed income securities. It seeks to maintain a dollar-weighted average duration of less than three years. Normally, 10% or less of the fund's total assets will be invested in below investment grade debt securities.

Mutual Fund Company: Barings LLC Founded in 1940 as David L. Babson & Co. Inc. The firm has managed active institutional accounts for U.S. tax-exempt investors since 1968. BCM is a registered investment advisor. In June 1995, Massachusetts Mutual Holding Company (MassMutual) purchased the outstanding stock of Babson Capital Management (BCM), whereby BCM became an independent investment subsidiary of MassMutual. In 1996, BCM merged its investment counseling services with Concert Capital Management, MassMutual's former equity investment subsidiary. In January 2000, the firm was reorganized to include both the investment management division of MassMutual and its fixed income subsidiary, Charter Oak Capital Management.
