

Investment Objective: To achieve long term income generation by investing in a portfolio of high quality fixed income securities.

Investment Strategy: The investment manager, **Agincourt Capital Management, LLC**, uses a fixed income style that is a yield driven, active management approach, focusing on value and minimizing interest rate forecasting and market timing. The firm believes that consistency of returns is the key to building an outstanding long-term record. Agincourt uses four strategies in managing total return fixed income portfolios: Sector Management, Security Selection, Yield Curve Management and Duration Management.

Investment Management Company: **Agincourt Capital Management, LLC**, located in Richmond, Virginia, manages fixed income portfolios for a wide range of institutional clients.

Investment Managers:

Agincourt Capital Management, LLC

- William M. Armes, CFA — *Director and Portfolio Manager*
- Patrick K. Kelly, CFA — *Managing Director and Portfolio Manager*

Moral Screening: All PCA-named Core Funds, including the PCA Diversified Fund, are screened to prevent investment in securities found to be in violation of the moral policy of Geneva Benefits Group. Our moral screening policy identifies companies whose primary line of business includes abortion, stem cell research, encouragement and support of same sex lifestyles, and certain human rights violations.
