

Investment Objective: To achieve long term capital appreciation in a diversified portfolio of small capitalization stocks with both growth and value characteristics.

Investment Strategy: Brown Advisory, LLC follows a philosophy that low-turnover, concentrated portfolios derived from sound bottom-up fundamental research provide an opportunity for attractive performance results over time. They have a culture and firm equity ownership structure that helps Brown Advisory, LLC attract and retain professionals who share those beliefs, and they follow a repeatable investment process that helps Brown Advisory, LLC stay true to their philosophy.

Monarch Partners Asset Management LLC's investment philosophy is based on a value discipline, focused internal research, and risk aversion. They identify undervalued companies that possess catalysts that will enhance shareholder value. Monarch avoids value traps. They have a dedicated, experienced research team. Monarch's bottom up process is 90% fundamental and 10% quantitative. Risk aversion includes diversification, daily monitoring of portfolio exposures, and a strict sell discipline.
