

Investment Objective: To achieve long term capital appreciation by investing in a diversified portfolio of mid-capitalization stocks that are undervalued relative to the broad markets.

Investment Strategy: Integrity Asset Management, LLC uses a bottom up, fundamental, research-intensive approach to identify mid cap value stocks with low price to cash flow, price to book, and price to sales ratios relative to the Russell Midcap Value Index. Integrity invests in companies with market capitalizations between \$500 million and \$10 billion at time of purchase. Investment ideas are primarily internally generated and confirmed through traditional financial analysis, company visits, and management assessments.

Investment Management Company: Integrity Asset Management, LLC is an investment advisory firm established in 2003. The firm manages a variety of equity assets primarily for institutional clients, and also provides investment management services to a diverse group of corporate, public, endowment, and foundation clients.
